### WHEN GREENWOOD IS PAVED

In spite of the happy-go-lucky property owners on Greenwood who prefer to live in a mud hole rather than pay paving tax and live in a modern district. The good people of the North end have been promised a paved Street before summer. With this and street car service, no property owner in that section should doubt that his property will improve in appearance and value, commensurate with the small tax imposed for paving. A good sewer system later on will make this section of Tulsa, a good place to live.

### THE PEOPLE'S THEATRE

The People's Theatre is continuing to have good attendance. Mr. Rogers is putting on some special features which are enjoyed by a large crowd. Among them the continued story Lucille Love, every Tuesday night and The Pearls of Pauline, every other Friday night. Mr. Rogers is planning on enlarging his Theatre in order to give the public better accommodations.

The Baptist of the state of Oklahoma, is in session to entertain Rev. E. C. Morris, one of the great men of their denomination and the race, who will arrive here today. There should be at least fifteen hundred visitors in the city attending this event, for which great preparation have been made. Every Negro in Tulsa, should feel obligated to help make our visitors welcome and to see that they are well cared for.
